Dear Section 8 Property Provider:

Columbia Housing Authority is proud to introduce you to **SCHousingSearch.com**, a **free** listing service to help our Section 8 voucher holders find and fill your vacancies.

SCHousingSearch.com was created and is maintained by Socialserve.com, the number-one provider of affordable housing listing and search services across the country. This free listing service for landlords and property providers is already experiencing great success throughout the state, with thousands of units listed across South Carolina.

With SCHousingSearch.com you will be able to:

- **List and manage all of your affordable properties for free** via the Internet or with a quick, toll-free phone call.
- Show off features of your rental(s) like number of bed/bath, location, rent and deposit information, utility specifics, special amenities, **up to 10 photos**, eligibility requirements, a map link, and much more.
- Reduce calls on rented properties by having the ability to mark properties as “unavailable” immediately once they are rented.

**As of June 23, 2008, Columbia Housing Authority will be using the SCHousingSearch.com listing to refer Section 8 voucher holders to your available units.** Socialserve.com staff is available to you Monday through Friday from 9 a.m. to 8 p.m. Eastern Time to answer questions, add properties, or make adjustments to your listings at 1-877-428-8844.

Please register your properties as soon as possible. Thank you for your participation in this easy-to-use, free service.
